S4 English Term 1	NEEDS TO BE IMPLEMENTED	92	100	87	A	Michaela is an excellent student. She always participates in class discussions and provides helpful answers and contributions. She is willing to help others who are struggling, and she also works well on her own. Her writing is strong, although she needs to pay more attention to subject verb agreement. Her essay on the robotics of neuro fusion were particularly fascinating. I also greatly appreciate her dancing skills and her desire to sing. She is an inspiration to others. Good work.	Ms.Jennie

S5 English Term 1	NEEDS TO BE IMPLEMENTED	89	70	88	A	Fleurissa was quiet in the begin- ning of the course. She often sat next to stronger members and didn't contribute to class discus- sions. Toward the end of the term she has become more vocal. I ap- preciated her essay on a novel she read independently, hunger games. Her literary analysis shows her ability to read carefully and inter- pret symbols and characterization. She was able to conclude her essay by relating the themes of the novel to society at large, and her own ex- periences. I look forward to hear- ing more from her in class in the future.	Ms.Jennie

S6 Computer Major Term 1	NEEDS TO BE IMPLEMENTED	60	30	MISSING	A	Computer Class is a great learning environment for Phyllis. She participates and comes for extra help from the teacher. She has mastered most of the contents but always has a lot of confidence in exams and as a result makes mistakes that cost her dearly.
